

Bissell Hotels Join Our Team

Working for the Bissell organization, you will share in the feeling of pride that comes from knowing you are part of a team that is doing an excellent job while always striving to do better.

Our culture embraces the idea that every employee is important and is contributing to our most important reason for being here: Exceeding expectations for our guests. The Bissell Organization, although large in the community, is still a small group of Franchise Players who all have a voice to share opinions and ideas at any level of the organization.

Festivals, holiday parties and celebrations give a sense of a small supportive community in the workplace. More importantly, you would be joining a close-knit "work family" that is part of a large, well-respected company in a beautiful area and who share core values, we call them our Franchise Player Traits.
